REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p. m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Milton School Districts:

In September of 1970, the enrollment of the Milton Schools was as indicated below:

School	1	2	3	4	5	6	7	8	9	10	11	12	SE	Total
Milton Mills	63		25											88
Milton Grammar	47	28	46	45	39									205
Nute High							45	48	33	43	32	35		236
Special Education													9	9
	63	47	53	46	45	39	45	48	33	43	32	35	9	538

The above reflects an increase of 46 students over the enrollment of Milton Schools in 1969, or 9.3%. In addition, there are two students being educated outside the Milton District.

TUITION PUPILS ATTENDING NUTE

Sending District	Grades	8	9	10	11	12	Total
Acton			1		1		2
Wakefield			4	3	6	5	18
Private		1					1
Totals		1	5	3	7	5	21

1970-71 teacher and staff replacements for the Milton School District were as indicated below:

<u>Replacement</u>	<u>Replaced</u>	<u>Grade or Subject Area</u>
Mrs. Miriam Jones	Mrs. Janice Roberts	Grade 2
Mrs. Ann Garnett	Mrs. Caroline Perry	Grade 3
Mrs. Carol Hooper	Additional	Grade 5
Mrs. Susan Leary	Mr. Christopher Leary	Science
Mrs. Sylvia Kastberg	Mr. William Shaheen	Social Studies
Mr. Dennis O'Brien	Mr. Richard Zeisse	Mathematics
Mr. Albert Pollock	Miss Julia Seeley	English
Mr. Jacques Finlay	Mr. Robert Emlen	English
Mr. Carl Tomes	Mr. David Hoffman	Guidance/Reading

Other staff changes include the addition of part-time teachers' aides: Mrs. Alfred Banks at Milton Mills School, Mrs. Georgette Tanner at the High School and Mr. Stephen Higgins to provide driver education. Mrs. Ann E. Moore has been employed to impart musical instruction to the children. Other information regarding staff changes and additional assignments may be found in the reports of the principals. The salary schedule recently implemented by the District has enabled your School Board to be much more selective in screening teaching candidates, and the improvement in the quality of the staff is being reflected in benefits received by the students. It must be noted that the crowded conditions in the school buildings are a deterrent to the most efficient use of the present talents of the staff.

There are, it seems to the undersigned, two very pressing problems confronting the Milton School District at the present time. These are the need for space for the educational program of the district, and the implementation of the new minimum standards for elementary schools. For the purpose of consideration of the latter problem, a brief outline of the standards which must be met is presented.

STANDARD

ORGANIZATION

Pupil-teacher ratio of 25 to 1 in grades 1 and 2.

Pupil-teacher ratio of 30 to 1 in grades 3-6.

CURRICULUM

Art shall be taught in the elementary school.

Health Education shall be a part of the elementary school curriculum.

Language arts, mathematics, science, and social studies shall be a part of the elementary school program.

SERVICES

Library services for all children.

Guidance services for all children.

Health services shall be provided for all children

Special education services shall be provided.

STAFF

All teachers must be certified.

A full time supervising principal for schools of 300 or more students.

A full time secretary for an enrollment of 300 or more.

Full time nurse/teacher for an enrollment of 750 or more.

Full time art, music, physical education teachers for enrollment of 700, and 800 students, respectively.

GUIDANCE SERVICES

A school with an enrollment of 800 children shall provide a full time guidance counselor.

Each elementary school shall provide guidance services to meet the needs of all of the children.

LIBRARY SERVICES

Each school shall provide library services for children and teachers with a qualified staff member in charge.

Adequate library space shall be provided, (about 1,800 square feet in Milton's case).

A certified librarian shall be provided to maintain and supervise library services, and to train supportive staff, where needed.

The basic book collection shall equal 6,000 books, and the library recourses must be maintained with a minimum expenditures of \$5.00 per pupil per year.

SCHOOL BUILDING FACILITIES

There must be five acres for the school plus one acre per each 100 pupils.

A regular classroom must be at least 900 square feet in area to accommodate 25 to 30 pupils.

The above material was gathered and paraphrased from the publication of the State Department of Education entitled "Minimum Standards and Recommendations for New Hampshire Public Elementary School Approval.", date January 1970. The above list is not exhaustive, but it should give the voters an opportunity to assess the amount of work that must be done to enable the Milton District to meet these requirements. No attempt has been made to indicate how many of the above have been met to date, but it may be readily seen that your School Board has its work cut out for it if it is to begin the complete implementation of these standards by September 1972.

It is understood by the undersigned, that your District Building Committee will have a report of its study to present in the very near future for the approval of the voters.

In closing, the undersigned should like to express their appreciation of the cooperation they have received from local citizens, school board members, students, and staff members. Your continued cooperation and support is earnestly solicited toward the goal of providing a sound educational program for the students of the of the Milton School District.

REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

This year has found several staff changes at Nute High School. Mrs. Susan Slade Leary, a graduate of Plymouth State College, has replaced Mr. Leary as Science teacher. Mrs. Sylvia Kastberg has replaced Mr. William Shaheen as Social Studies teacher. Mr. Dennis O'Brien, a graduate of Salem State College, has replaced Mr. Richard Zeisse as Mathematics teacher. Mr. Albert Pollock, a graduate of Saint Anselm's College has replaced Miss Julie Seeley as an English teacher. Mr. Jacques Finlay replaced Mr. Robert Emlen as teacher of English. Mr. Carl Tomes has replaced Mr. David Hoffman as school counselor.

The Music program has been reinstated under the direction of Mrs. Robert Moore. The Music department had a very successful Christmas Concert and is planning a Spring Exchange Concert.

A full sports program was conducted this year. Mr. O'Brien, who has taught at soccer clinics in the Boston area, was soccer coach. He was aided in rebuilding the team by Mr. Finlay. The volleyball team under the coaching leadership of Mrs. Leblanc was tri-champion of the Southeastern League. The varsity basketball team was lead by Mr. John Lucier. Mrs. Lucier coached this year's cheerleading team. The girls basketball team was coached by Mr. Pollock. Mr. John Buckley was J. V. basketball mentor.

The role of school counselor has expanded under the direction of Mr. Tomes to include an "Alumni Placement" program. Also under Mr. Tomes' direction the first step in an "opportunity English" program has been implemented. This step is the student orientated, counselor guided "reading attainment program." We hope to expand the program with the use of student tutors.

At this time we are planning a testing program of students in grades 7-12. The tests shall include: Otis-Lennon I.Q. Battery, Stanford Achievement Battery, Geiss Personality Test, Kuder Vocational Preference, and random sampling of the Weischler series. We hope to ascertain the needs of the students and a common base to implement curriculum changes. One change we shall examine most carefully is modular scheduling.

To the School Board, the Superintendent, all the parents and friends of the Milton Schools and the teachers who contributed to make the schools and affiliated programs a success, thank you.

Warren Bouchard

REPORT OF THE PRINCIPAL

TO: THE SUPERINTENDENT OF SCHOOLS

As I did with last year's principal's report, the first item I would like to focus on in this report is the ever increasing enrollment in our elementary school system. The official enrollment in September of 1970 was 302. This represents an increase of over 16%. And at the date of the preparation of this report, (Dec., 1970) our enrollment is now 311. According to the 1966 Town Report, the Elementary School's enrollment totalled 228. This means that in the last four years our enrollment has increased by 83 students which represents a staggering increase of 36.4%. Yet the size of our educational facilities has not increased at all in the last ten years (when I am sure the enrollment was even less than in 1966). We now have absolutely no room left in either school for more expansion. What's more at least four of the classrooms that are in use are inadequate in one or more ways; we have no library, no teachers' room, no cafeteria, and our bathroom facilities are unsatisfactory to say the least. A building addition is an absolute necessity for our school system if the quality of the education being offered is not going to deteriorate.

The following staff members have been added for this school year.

Mrs. Miriam Jones—Grade 2—Replaced Mrs. Roberts

Mrs. Anne Garnett—Grade 3—Replaced Mrs. Perry

Mrs. Carol Hooper—Grade 5—Additional teacher

Increased financial assistance from the federal government and thrifty planning and preparation on the part of Mrs. Margaret Moody and Mrs. Doris Cheney have resulted in our being able to offer hot lunch to students at one of the lowest prices in the state. Mrs. Diane Cheney has been added as a part-time employee because the program has continued to grow.

I deeply appreciate the interest that the citizenry of the Milton School District have shown in their schools over this past year. Hopefully, a continued commitment on the part of the majority for a decent educational program will enable us to alleviate the conditions that have been previously described.

Respectfully submitted,

Robert C. Eames, Principal

First Aid:

There were numerous broken bones during the school year. Several cases of ringworm were reported and treated promptly. There was a very low incidence of communicable diseases this year with chicken pox being the major offender.

Numerous trips to the doctor, hospital, dentist, and home visits were required for various reasons. For assistance in transporting children to the dentist for Matching Fund services, I would like to

thank the following mothers for volunteering their services: Mrs. Bonnie Pierce, Mrs. Anita Labrie, Mrs. Virginia Banks, Mrs. Betty Nason, Mrs. Barbara Pomroy, Mrs. Connie Tolman, Mrs. Carol Barrett, Mrs. Claudia Adjutant, Mrs. Thelma Ellis, Mrs. Joan Chase and Mrs. Pat Marsh.

Appreciation:

I would like to thank Spaulding Fibre Corporation and the Wakefield Lions Club for their contributions to the dental program and vision testing and referral program. Their assistance is most essential and valuable.

I would also like to thank the principals and staff of the Milton Schools for their cooperation and assistance in the health department projects.

I would also like to acknowledge and to thank Bob Eames for his kind, intelligent administration of the Milton Schools. It has been a pleasure to work under his supervision.

Respectfully submitted,

(Mrs.) Priscilla Roy Leblanc, R. N.
